NOTIFICATION

FRANCIS OF WALES' ROYAL INDIAN MILITARY COLLEGE, DELHI, INDIA.

No. 2-10) In connection with the admission of candidates to the Prince of Wales' Royal Indian Military College, Delhi, India, the following information is published for the use of intending candidates.

The College provides a public school education on English lines for Indian and Anglo-Indian youths who desire subsequently to enter the Indian Army in England, with a view to obtaining Commissions in the Indian Army. It is intended for those who wish to make the Army their profession in life. The course of study at the College will, however, be such that, should a boy fail in the Army and Air Force Entrance Examination, he will be in as favorable a position for entry to a university as if he had been educated at an ordinary school.

(1) Candidates will be selected from unmarried Indian and Anglo-Indian boys of—

(a) Parents of British India;

(b) Indian States.

Nominations will be made by His Excellency the Commander-in-Chief at the recommendation of the Local Government or Administrators or the Political Officer, as the case may be.

(2) Candidates must have attained the age of eleven years and be under twelve years on the 1st February 1888.

(3) Candidates should attach to their applications a medical certificate from the Indian Commissioner, a British or Indian, Medical, Hospital or a Civil Surgeon to the effect that they are physically fit in all respects in accordance with the Appendix A to this notification.

(4) The fees will be Rs. 1,500 for each school year and are liable to enhancement hereafter, if circumstances require. The fees payable by candidates who are sons of Indian officers of good service will be determined by His Excellency the Commander-in-Chief in each particular case. These

fees will include tuition, messing, school articles, washing and mending and medical attendance of the epidemic fund, and, as initial provision, one suit of the uniform to be worn by students while at the College.

In addition to the fees referred to above, the parent or guardian of a cadet will be required to deposit with the College authorities, on his entering the College, the sum of Rs. 50 which will be returned when the cadet finally leaves the College provided that all dues have been paid.

In the event of a temporary necessity for cadets to be admitted into a civil hospital, all charges incurred will be borne by the parents or guardians of the cadets.

A full term's notice is required to be given of intention to withdraw a cadet from the College. In the event of such notice not being given, the parent or guardian will be required to pay out full term's fees in full, unless it is considered that the circumstances in which the cadet was withdrawn are such as to entitle for special consideration.

(5) Entry to the College will not be open to candidates who are already married.

(6) Parents or guardians of candidates are required to attach to the applications a declaration in the following form—

"I, _____, do hereby declare that it is my desire that my son/daughter should make the Army his/her profession in life."

"I, _____, do hereby declare that I am a candidate for admission to the Prince of Wales' Royal Indian Military College, Delhi, India, and that it is my desire that my son/daughter should make the Army his/her profession in life."

For admission to the Prince of Wales' Royal Indian Military College, Delhi, India, having made myself acquainted with the fees payable at Delhi, India, and, subsequently, at the Civil College in England (vide paragraph 82 of 'Provisional Regulations respecting admission of Indian gentlemen to the Royal Military Academy, Woolwich, the Royal Military College, Sandhurst, and the Royal Artillery College, Chertsey') as recommended by Government No. 441 February 1887, am able and willing to pay the prescribed fees and meet the incidental expenses.

The centre of the barometer is twenty-two feet above the level of the sea, and the screen of the thermometer is two feet from the ground. The wind, rain and general weather registered are for the current civil day—from midnight to midnight.

The total quantity of rain collected since 1st January = 26.6 inches, the average due for the same period being 19.15 inches.

BILL No. 23 of 1931—Madras City Police (Amendment)	501
Resolutions: Bd. No. 21 of 1931—Madras Government Courts—Wardenship	501

Bill to be introduced in the Council of the Governor of Fort St. George assembled for the purpose of making Laws and Regulations.

Under rule 18 of the Madras Legislative Council Rules, the following Bill, together with the Statement of Objects and Reasons, is published for general information:—

BILL No. 23 OF 1931.

A Bill further to amend the Madras City Police Act, 1888, for certain purposes.

WHEREAS it is expedient further to amend the Madras City Police Act, 1888, for the purposes hereinafter appearing;

AND WHEREAS the previous sanction of the Governor-General has been obtained to the passing of this Act; It is hereby enacted as follows:—

1. This Act may be called the Madras City Police (Amendment) Act, 1931.

- Amendment
of section 42,
Madras Act,
112 of 1938.
2. Section 42 of the Madras City Police Act, 1898 (hereinafter referred to as the said Act) shall be renumbered as sub-section (1) of section 43 and to that section as renumbered the following sub-section shall be added, namely:—
- "(2) The Commissioner may, instead of issuing a warrant under sub-section (1), himself exercise all or any of the powers exercisable under such warrant."
- Amendment
of section 43,
Madras Act,
112 of 1938.
3. In section 43 of the said Act, after the words 'shall be evidence' the words 'until the contrary is proved' shall be inserted.

STATEMENT OF OBJECTS AND REASONS

Sections 42 and 43 of the Madras City Police Act, 1898, correspond to sections 3 and 4 of the Madras Gaming Act, 1936. A recent judgment of the Madras High Court pointed out that it was not clear from the language of section 5 of the Madras Gaming Act, 1936, whether or not a police officer authorized to issue a warrant to search a gaming house could himself conduct the search. The fact that section 4 of the Madras Gaming Act, 1936, as it now stands, merely creates an statutory presumption against the accused was the comment on by the High Court in the same judgment. In such cases it is practically impossible to get other evidence as the persons found in a common gaming house who alone have witnessed the game, are themselves also offenders. To remedy these defects steps are being taken to amend sections 3 and 4 of the Madras Gaming Act, 1936. Though no difficulty has as yet been experienced in administering the corresponding sections 42 and 43 of the Madras City Police Act, 1898, it is considered advisable to amend that Act also as proposed in the Bill.
